

Summary

Brad Kitchens is president and CEO of ScottMadden, Inc. With more than 30 years of business and consulting experience, he has worked extensively in the energy sector on strategic planning, mergers and acquisitions, operations improvement, reorganizations, and governance. Brad routinely works with energy organizations' executive teams and boards of directors. He is a frequent speaker to energy leadership and at energy conferences. Prior to ScottMadden, Brad consulted with Deloitte & Touche specializing in its capital markets practice. He also spent several years in the oil and gas industry. He received a B.S. in mechanical engineering from Rose-Hulman Institute of Technology and an M.B.A. from the Fuqua School of Business at Duke University, where he graduated with top honors and was recognized as a Fuqua Scholar.
