

ScottMadden Sponsors Southern Gas Association Management Conference 2016

ATLANTA, GA – (April 14, 2016) – ScottMadden, Inc., one of North America’s leading energy consulting firms, recently joined top energy experts as a sponsor at the Southern Gas Association Management Conference in San Antonio, TX. Themed “Developing People, Relationships, Solutions,” this event provided a unique opportunity to gain valuable education, share best practices, and network with executives from a wide range of functions.

“ScottMadden was glad to sponsor and attend this informative conference. Through the presentations and discussions with industry leaders, we had the opportunity to learn and exchange perspectives on important topics, including market trends, merger and acquisition activity, the outlook for pipeline and storage infrastructure, and growth strategies. The conference highlighted the industry’s significant challenges and the importance of a well-defined and executable strategy,” said [Jason Davis](#), director at ScottMadden.

About ScottMadden’s Energy Practice

We know energy from the ground up. Since 1983, we have been energy consultants. We have served more than 300 clients, including 20 of the top 20 energy utilities. We have performed more than 2,400 projects across every energy utility business unit and every function. We have helped our clients develop strategies, improve operations, reorganize companies, and implement initiatives. Our broad and deep energy utility expertise is not theoretical—it is experience based.
