

ScottMadden to Sponsor and Present at Platts Utility Supply Chain Conference 2017

ATLANTA, GA – (December 14, 2016) – ScottMadden, Inc., one of North America’s leading energy consulting firms, is proud to sponsor and present at the 15th Annual [Utility Supply Chain Conference](#) being held January 16–17, 2017 in Coronado, California. This long-standing event attracts a variety of procurement, sourcing, and materials management executives who engage in industry networking and discussion on business solutions to ongoing supply chain trends and challenges.

[Stuart Pearman](#), partner and energy practice leader at ScottMadden, will present an “Energy Sector Update: Trends, Challenges, and Industry Innovation.” During this session, ScottMadden will discuss a number of industry topics including the following:

- Distributed Energy Resources – How is this sector evolving?
- New York’s Reforming the Energy Vision Track 2 – Sorting out issues in developing a new regulatory model
- Nuclear power – Recent efforts in keeping low-emitting resources online in an era of cheap natural gas

Andy Flores, partner at ScottMadden, commented, “The Platts Utility Supply Chain Conference is a great venue to reconnect with key industry supply chain leaders and meet new attendees. It is also a great learning opportunity to better understand how organizations are adapting to better address the needs of our changing industry.”
