

STAFF SMARTER TODAY.

Extreme demand, growing workforce shortages, and a constantly changing healthcare landscape make it imperative for healthcare leaders to embrace the workforce of the future and to develop scalable staffing and deployment solutions. Establishing or amplifying your contingency labor program is imperative in the current operational environment or in a crisis like COVID-19. This is the best way to rapidly deploy and transition staff to meet critical needs—today and moving forward.

Enhance or rapidly develop and deploy your contingency workforce program to:

RESPOND TO LABOR FLUCTUATIONS

Unexpected and seasonal peaks in demand can be resolved quickly and efficiently

FILL OPEN SHIFTS QUICKLY

Shifts in critical areas can be filled to meet immediate and unexpected fluctuations

TARGET QUALIFIED CANDIDATES

Leverage technologies to predict staffing needs and immediately engage qualified candidates while limiting recruitment activities

CONTROL COSTS AND ENSURE COMPLIANCE

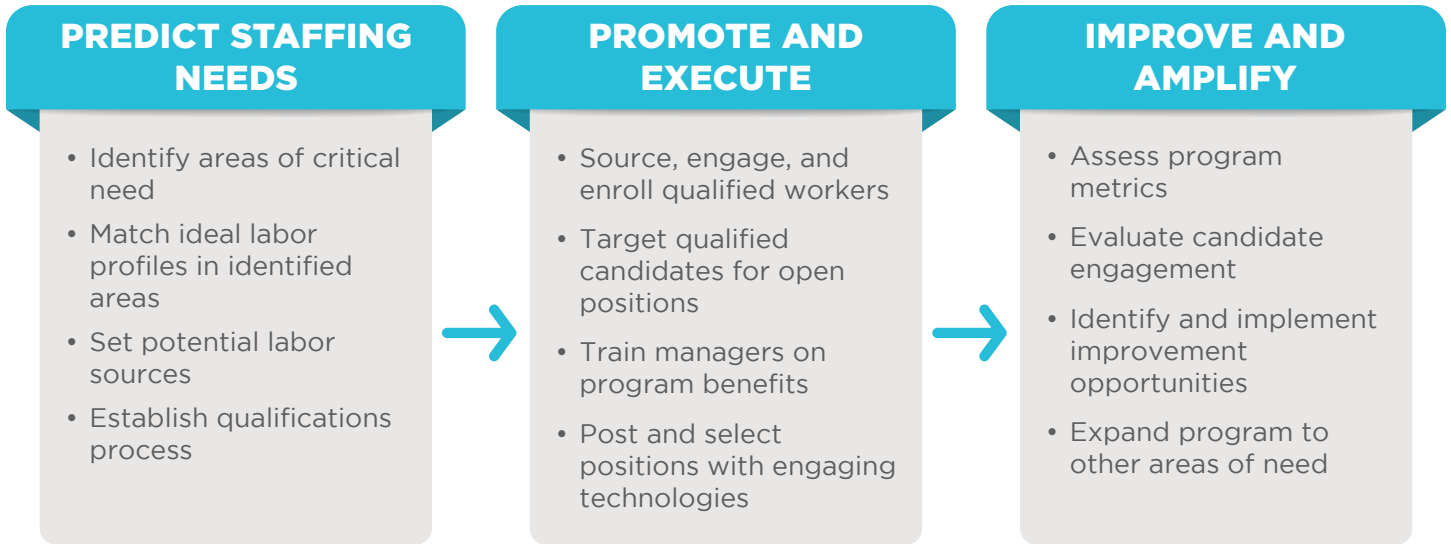

Agency overhead and costs are reduced and compliance ensured with a qualified pool of candidates

SPEED TO RESULTS

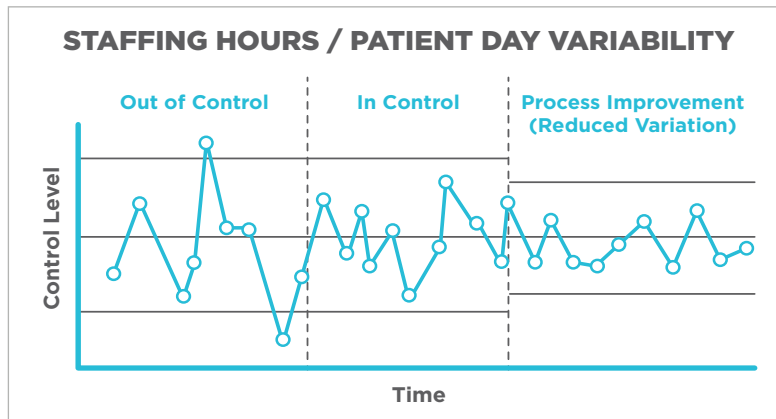

Moving quickly is more important than ever. Your innovative leadership, combined with a customized approach leveraging components of ScottMadden's methodology, allows you to address staffing fluctuations while meeting the specific demands of your organization.

MEETING WORKFORCE DEMAND.

Meet the needs of your organization using ScottMadden's results-driven program.

THE IMPACT OF THE ENHANCED CONTINGENT WORKFORCE (REDUCED VARIABILITY FROM YOUR STAFFING PLAN)
