

STRATEGIES TO MEET CHANGING DEMANDS

Higher education institutions face a complex environment that is being forced to change. As a leader in higher education, you are being asked to do more with less and bring solutions that will work across varied stakeholder groups to position your institution for the future. The time to plan and take action is now.

New strategies and approaches are needed to address:

FINANCIAL CONSTRAINTS

State funding is dwindling and universities are faced with cutting administrative costs

COMPLEX GOVERNANCE

Decision-making takes time and often must include various stakeholders, including central administration and deans

CHANGING STUDENT AND STAFF EXPECTATIONS

Faculty, staff, and students have diverse needs and evolving expectations in the modern service environment

LONG-STANDING CULTURES

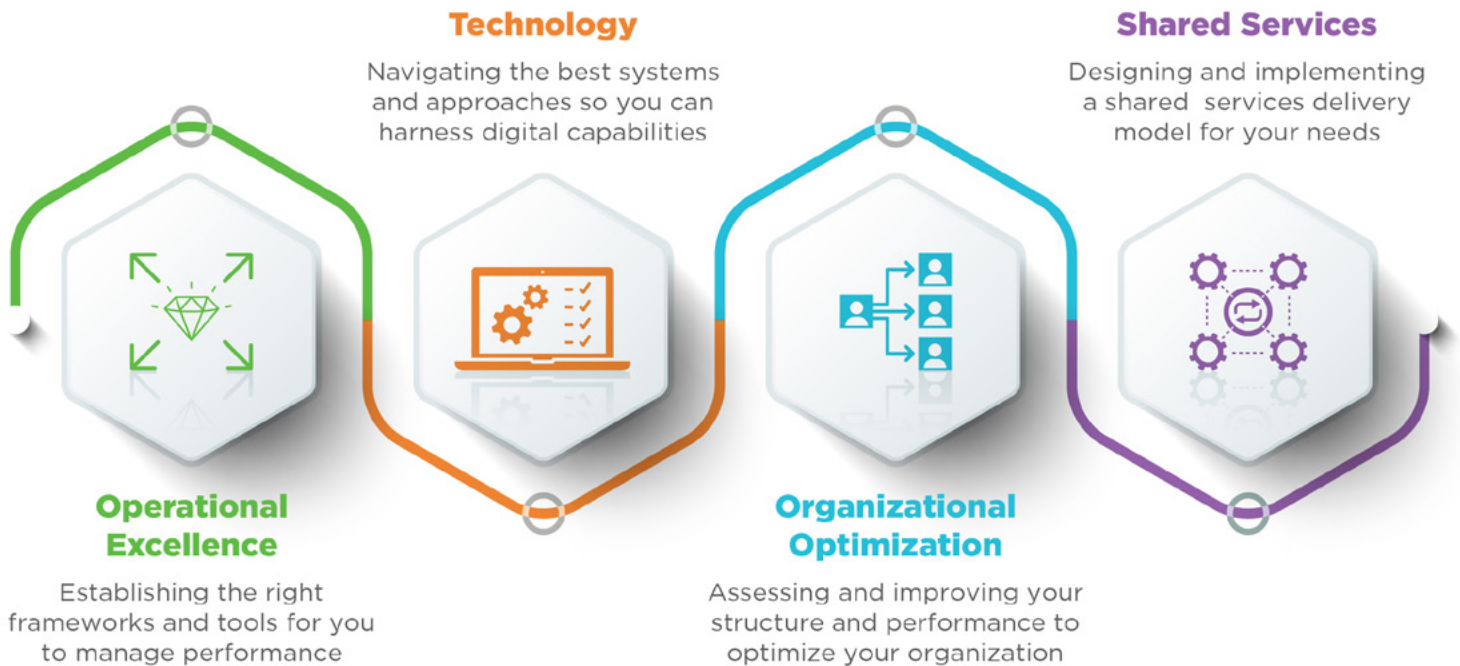

Institutional traditions and long-tenured faculty can make change seem even more difficult

ACHIEVING RESULTS

Your leadership, combined with customized approaches focused on improving operations, leveraging technology, applying a shared services model, and optimizing your organization, will allow you to be successful in this challenging environment. ScottMadden's proven methodologies can help.
