

ScottMadden Named as Top-Ranked Firm by Vault

Vault's Top 50 Consulting Rankings for 2021

ATLANTA, GA – (January 19, 2021) – ScottMadden, Inc., one of North America's leading management consulting firms specializing in energy and shared services, is ranked 25 among the top 50 best consulting firms by Vault.com, a career website that ranks the top 50 consulting firms annually. Rankings are compiled from a broad survey of consultants who are asked to rank their own firms, peers, and competitors. This ranking combines a firm's overall prestige score with several factors, such as job satisfaction, culture, training, promotions, diversity, and pay.

This year's rankings highlight the best firms to work for in the industry, as well as the top firms across various quality-of-life categories, practice areas, and diversity. This year, ScottMadden ranked #7 for firm leadership and #9 for compensation.

The Boutique Consulting Firm ranking provides insight into life at a smaller firm with specialization in its practice areas. This year, ScottMadden ranked #12 among the best boutique consulting firms.

"We are proud to be recognized yet again as a top consulting firm by Vault. Thanks goes to our employees who allow us to continually build on our foundation of quality and integrity," says Brad Kitchens, president and CEO at ScottMadden.
