

## ScottMadden Hires New Partner Mark J. Fronmuller

**ATLANTA, GA – (May 4, 2015)** – ScottMadden, Inc., a general management consulting firm, is pleased to announce the addition of Mark J. Fronmuller as partner. Mr. Fronmuller brings with nearly 30 years of experience in IT, Smart Grid, oil and gas, and electric and global utilities. He has seven years of expatriate experience in Venezuela, Spain, and the United Kingdom, where he led performance improvement and technology projects in the utility and energy industries.

“Mark joins us with considerable energy experience. Over the past few years, he has been heavily involved in Smart Grid and related activities. He will be a key resource in our grid modernization and utility of the future work,” said Brad Kitchens, president and CEO of ScottMadden.

Prior to joining ScottMadden, Mr. Fronmuller served as president of Elster Solutions; executive vice president of global utilities for SAIC Energy, Environment, and Infrastructure; global account executive, utility industry practice leader, and vice president for Capgemini; and partner for Ernst & Young. Mr. Fronmuller earned an M.B.A. in quantitative management science and a B.A. in mathematics and Spanish from Saint Louis University.
