

ScottMadden to Present at SSON's Shared Services & Outsourcing Summit Canada

ATLANTA, GA – (June 27, 2014) – ScottMadden, Inc., a general management consulting firm, is proud to join leading industry players as a sponsor and a presenter at SSON's [Shared Services & Outsourcing Summit Canada](#) being held July 21–22, 2014, in Toronto. This event, designed specifically for shared services leaders of all maturity levels, will include valuable workshops, case studies, and break out sessions to help you accelerate your shared services journey and reap the benefits of a world-class shared services operation.

[Brad DeMent](#), partner and finance and accounting practice area leader at ScottMadden, will serve as conference chair and co-present Workshop A with [Jerred Crosby](#), partner at ScottMadden. This workshop, "Look Before You Leap: Key Considerations for Planning, Launching, and Stabilizing a New Shared Services Operation," will provide initial steps to advance your shared services operations and ensure you develop a foundation that will deliver eye-catching results.

If you are a director or above and have not already registered, you are eligible for a limited \$299 VIP pass, courtesy of ScottMadden. This discount can be used for the workshop and/or main conference. To register with this preferred pricing, please contact Sean Winters, director of strategic delegate acquisition at IQPC, at sean.winters@iqpc.com or 212-885-2680.

About ScottMadden's Corporate & Shared Services Practice

ScottMadden has been a pioneer in corporate and shared services since the practice began decades ago. Our Corporate & Shared Services practice has completed more than 1,100 projects since the early 90s, including hundreds of large, multi-year implementations. Our clients span a variety of industries from entertainment to energy to high tech. Examples of our projects include business case development, shared services design, and shared services build support and implementation.

About ScottMadden, Inc.

ScottMadden is the management consulting firm that does what it takes to get it done right. Our practice areas include Energy, Clean Tech & Sustainability, and Corporate & Shared Services. We deliver a broad array of consulting services ranging from strategic planning through implementation across many industries, business units, and functions.
